...Enhance and Expand Opportunities for the Ocean City School District Students

We are excited to introduce to you the Ocean City Education Foundation (OCEF). We are an independent community service organization comprised of parents, business owners and concerned citizens, formed exclusively for charitable, cultural and educational purposes dedicated to encouraging community-wide participation and philanthropy in order to enhance and expand enrichment opportunities for all students in the Ocean City School District and the community at large.

It is the little things that make the difference in our day-to-day lives! That's why the Ocean City Education Foundation is establishing our biannual Staff Tribute Program. Every day teachers, administrators, secretaries, school nurses, aides, coaches, food service employees, custodians and School Board members make countless contributions to our students' school experiences. The Staff Tribute Program recognizes the importance of these daily contributions.

The Staff Tribute Program is the gift that keeps on giving! Your tax deductible donation not only honors a staff member, it will provide funding for the Foundation's all-important mini-grant program. Our grants will sponsor program enhancements and opportunities for our students. Please help us to support innovative programs and improve upon the School District's already outstanding record of excellence.

Support our project to build a state of the art Observatory at the High School! If you choose, you may designate that your tax deductible donation go towards building an observatory located at Ocean City High School.

To begin these wonderful programs for our students requires our collaborative effort! That's why we hope you will consider recognizing those special persons in your child's school life with a tax deductible donation. Please know the staff member will receive a personal letter from the Foundation letting them know of your tribute.

Please help us continue this wonderful work.

Yes I would like to contribute to the Ocean City Education Foundation in the amount indicated below:

_____ \$100

_____ \$25

_____ \$75

_____ \$10

_____ \$50

_____ Other

I would like to recognize the following staff member: _____

I would like to make a gift in memory of: _____

I would like to contribute towards the observatory: _____

I would like to make a general donation: _____

Please make check payable to ***Ocean City Education Foundation***
